QUOTES FROM:

JOHN ABER

Q. Talk about the experience playing in your second PGA Championship.

JOHN ABER: It's a great experience. It's great fun. It's great to be here. It's the best players in the world, and I'm honored to be here.

Q. Talk about the course a little bit, how it's laid out. There was talk about how the course had changed coming to the championship. Talk about the course a little bit.

JOHN ABER: The course is great. I think it's very fair. It's right in front of you, it's in perfect condition, and it's just a beautiful place.

Q. Kind of compare your two experiences between this year and then 2001, some similarities, some differences, and your experiences with both of them.

JOHN ABER: You know, very similar. I enjoyed the *Atlanta Athletic Club*, also. You know, it's hard to compare the two. That was six years ago. Both of them great fun, great experience. You know, it's just a great honor to be here.

Q. What are you looking at for tomorrow?

JOHN ABER: Just go out and try to play as well as I can. I'll have to try to shoot under par, and I'll go out and try my hardest.
