QUOTES FROM:

STEVE LOWERY

Q. Tell me a little bit about your round today.

STEVE LOWERY: It started getting dark early out there at the end. I played good, shot 3-under on the front, played okay, hit one shot in the water on 13. So I played good, good solid day.

Q. What was the best part of your round today?

STEVE LOWERY: I drove it well and I made some good putts for birdies. I think the driving was probably the best I did all day.

Q. If there's something you can work on for tomorrow or something you can improve for tomorrow, what would it be?

STEVE LOWERY: Getting some of those putts to go in probably. I hit a lot of lips, and that's the way it goes.

Q. Did the greens start to get more difficult toward the end of the day?

STEVE LOWERY: They seemed slow. I mean, the putting green is really fast. The greens were slower than the putting green, so it's hard to get adjusted to that.

Q. Do you have a plan for tomorrow?

STEVE LOWERY: Just try to hit the fairway and try to hole some putts.
