QUOTES FROM:

IAN POULTER

Q. Just comment on your overall view of how you're playing.

IAN POULTER: I played steady, hit lots of fairways, hit quite a few greens, missed a few good opportunities from sort of six, eight feet, which I would have liked to have taken on these greens. I'm 2-under par. It's fine, nice place, first round of the U.S. **PGA**.

Q. How do you feel the weather could affect the course? They're talking we might get some rain.

IAN POULTER: It might help the scoring a little bit. And then you've got greens that are going to spike up a bit. If it rains during the day, the greens could get pretty spiked up, so that will make it a lot more difficult for the guys.

Q. What are you looking for tomorrow?

IAN POULTER: 65.

Q. Is there any part of your game that you're looking for --

IAN POULTER: No, nothing. Enjoy myself.
