QUOTES FROM:

STEVE SCHNEIDER

Q. First off, can you talk about playing in the PGA Championship here at Medinah?

STEVE SCHNEIDER: Oh, I've looked forward to it. It's a lot of fun and challenging, but it's good. I played in '99. The course is in great shape, and I had a good day today, so things are good.

Q. Talk a little bit about the course, what you see, some of the scores coming in pretty low, what you thought of the course and what you see out there?

STEVE SCHNEIDER: Well, it was definitely a day to shoot a low round, and obviously they're shooting them. So I think it'll get a little firmer as the week goes on, and the scores won't be as low.

Q. I heard you had a pretty nice shot on 9 to finish up. Can you talk about your last hole a little bit?

STEVE SCHNEIDER: I hit it left in the trees and had to hit kind of through some trees, and I was just hoping that it would go through them, and it did, and it ended up about 20 feet, two-putted for par, finished even.

Q. What are your expectations for tomorrow? What would you like to see yourself do tomorrow?

STEVE SCHNEIDER: Just play good, trust my game and my swing, and everything else will take care of itself.
