What's more, you and your guests will also be among the select few to play in the Corporate Cup—an enjoyable day of golf and entertainment in the spring/summer of 2006, a prelude to the excitement of the PGA Championship.

**PREMIUM VILLAGE**

New for 2006, this prestigious venue rests along the eastern side of the first fairway and #2 tee of Course No. 3. Just a chip shot from the Exclusive Village, the Premium package offers you and your guests many of the same amenities and access with an exciting new view of the action.

Another all-new offering, the Heritage Club prominently resides next to the famed Medinah clubhouse, adjacent to the opulent and historic Medinah ballroom. This high-end hospitality package is the only to offer additional access to the clubhouse throughout Championship Week for the ultimate in guest entertainment. The finest food, décor and on-site VIP parking make this a truly sought-after package.

**CHAMPIONS CLUB**

A cornerstone of PGA Hospitality, the Champions Club provides comfort, flexibility and great access for you and your guests. For the first time ever, this package is available with two-day tables, making it even more affordable for those organizations who understand the value of being on site at the Championship. The venue is located near the Premium Village.
