DANNY EDWARDS

Q. You can't be disappointed with a red number out here, can you?

DANNY EDWARDS: Oh, no, but I bogeyed the last hole. And this year I just cannot seem to finish very good and it's just frustrating to finish up and bogey the last hole after a good round.

Q. First player off on your home course, that had to feel kind of cool?

DANNY EDWARDS: Yeah, it was. I hit a great drive off the first hole and I thought well that's a good start on the **PGA** so that was, that was kind of cool, yeah.

Q. Take us through your birdies real quick. How far were the putts on those?

DANNY EDWARDS: 2 was close. I made about a six-footer on two.

6, I birdied 6. I had a nice putt on 6. Made probably a 14, 15 footer there.

14, I hit it close there. I hit it two feet there on 14.

15 was 15 feet, 18 feet. Made a nice putt on 15 there.

Q. Those aren't birdie holes.

DANNY EDWARDS: Well, you got to hit good shots in there. On 14 I hit a drive and an 8-iron and I got a nice bounce off the side of the bank there. And it rolled down to two feet.

And then I hit a great drive and a great 6-iron in there on 15, about 15, 18 feet and made that one. That was really a good birdie on that hole.

Q. So you're back to even through 12 holes, were you angry at that point or still feeling good?

DANNY EDWARDS: I was feeling good. A little disappointed. I had kind of let it get away there. And I said to my caddy, let's get a couple birdies coming in. And then I birdied 14 and 15.

And 16 I hit a good drive, just didn't kick down on the hill. So I had to lay up and didn't make birdie there. So it was frustrating to bogey 18. It wasn't really playing that tough today, the wind is not up. So kind of tough to finish up there.

Q. Did you block your drive?

DANNY EDWARDS: Yeah, I just hit a poor drive.

Q. So what about tomorrow, was today the day you attack this course with the wind down?

DANNY EDWARDS: I'm not sure you ever attack this golf course. You just play it for what you can get out of it, because it's, you got to hit a lot of good shots to the green. There are not very many birdie holes, like you say. You just have to

kind of take them when you get them. I don't think you play super aggressive out here.

Q. Right now 2- and 3-under seem to be the scores near the top of the board. Do you think that will hold as the afternoon progresses?

DANNY EDWARDS: No. It remains to be seen. There will be some good scores probably.

Q. Golf Digest once named you the best golfer from Alaska. Does it seem like Alaska today?

DANNY EDWARDS: I don't know, I was only there for three months. I don't know how they came up with that statistic.

Q. They had to find somebody.

DANNY EDWARDS: I'm the only golfer, they would rather not say that. But let's just say I was the best golfer ever. Let's say that.

Q. Can you only play golf in Alaska for three months?

DANNY EDWARDS: I never played golf in Alaska. I was there only three months.

Q. What were you doing there?

DANNY EDWARDS: My folks were there for three years and they just kind of went up there and that's where I came along and we were there for three months and then we moved out of there.

Q. You were born in Missouri, right?

DANNY EDWARDS: No, I was born in Alaska. I lived there three months.

Q. And then Missouri?

DANNY EDWARDS: Yeah, then we moved.

BRUCE SUMMERHAYS

Q. How are the course conditions?

BRUCE SUMMERHAYS: Great. They're wonderful conditions. The wind wasn't up today, so that it played a bit -- well you would think it would play a little bit easier but the scores aren't really all that good for the lack of wind. But the course conditions were perfect.

Q. What was the advantage playing this morning?

BRUCE SUMMERHAYS: You have smoother greens and I don't know, it doesn't get baked out as much -- we actually got mud on our ball a number of times out there, hitting it in the fairway and things. So they're putting the water to it. But nonetheless, everything was really good.

MIKE SAN FILIPPO

Q. How were the course conditions?

MIKE SAN FILIPPO: The course was great. We really had a nice morning to play. The wind was down and it was, I'm sure you're going to see some good scores today, because it, the greens weren't that fast and I thought it played rather easy, actually.

Q. What was the advantage playing this morning?

MIKE SAN FILIPPO: Well, I don't know what it's going to do this afternoon as far as the wind is concerned. It's always nice to play in the morning as far as the greens being fresh and there was a little moisture in them, they were a little slower, and that was a problem, I thought they were a little slower than I thought. But depending upon how the wind holds up this afternoon that would be a big advantage too.

MIKE REID

Q. How was the course today?

MIKE REID: Everything is dictated by the wind. The course has been in excellent shape all week, but every day it changes complexion a little and today was probably the kindest conditions we have seen all week. And I kept telling myself it's going to yield a lot of birdies today, but I just couldn't seem to find very many. But I think they were pretty kind conditions, the wind wasn't blowing too hard and it was just, it is what it is.

Q. Any key shots in your round today?

MIKE REID: It wasn't -- well I guess 17. I just bogeyed 15 and I made a good save at 16 and so I was, I knew that I wasn't, the last, I almost bogeyed two holes in a row and then I just hit my best shot of the day on 16. I hit a 6-iron about

eight feet and made that for birdie. And that I guess was my shot of the day. The rest of it was pretty you know inspiring the rest of the way.

Q. How does it feel to be the returning champ?

MIKE REID: It's fun, there's a few, I would call them very pleasant distractions early on in the week, the Champion's Dinner was one of the highlights of my golf life, Tuesday night. And then as it slowly clicks on towards Thursday, by the time you tee it up you realize you're just another one of the 155 guys and after the first ball's in the air, you're just happy to have a tee time and a locker and you're just like everybody else. We start at zero and away you go.

Q. So not really any pressure?

MIKE REID: I didn't think about it much after that. But I think that tomorrow, you wouldn't say any more pressure, but you're always trying to do well. I don't know that that changed any, but there's just a few more things to do, but they're all very pleasant.

Q. Just trying to have fun?

MIKE REID: Yeah. That's right.

BOB ACKERMAN

Q. What was the course look today?

BOB ACKERMAN: It was nice. The wind died down and it made it play a lot -- it's never easy, but it was a lot easier than with the high winds. And they had the tees up on 9 and 18, so that helped a lot too. The greens were smooth, the fairways were great, it was just ideal scores conditions for this course, so it was good.

Q. How was the advantage playing this morning?

BOB ACKERMAN: When you tee off first you got perfect greens. 7:30, first tee time. Plus I like getting up early and playing early. And then having a nice lunch, which is what I'm on my way to do now, but, yeah, the greens are perfect. So that's always, for me, a good time for me to play. So I lucked out, I got two good tee times, 7:30 and 12:30.

JOSE RIVERO

Q. How was your round today?

JOSE RIVERO: This is my first time to play the SENIOR Tour.

Q. Was it exciting?

JOSE RIVERO: Yes, it's very nice. It's great. The whole course is fantastic, it's beautiful.
