QUICK QUOTES FROM:  
DANA QUIGLEY  
TOM WATSON  
PETER JACOBSEN

DANA QUIGLEY

**Q. Tough four days out there. You held it together, even par today. You knew where the leaders were at the whole time, they were in your group, just couldn't get any electricity in your round today.**

DANA QUIGLEY: Well, what happened is I hit a perfect shot on 2 and it ended up in the water.

I hit a really good 9-iron on 8, the par-3 over the water, hit the bank right on line with the pin and came back in the water. And I had, I made 5, 5, I was 4-over after 8, really hadn't hit any bad shots. And Jay just came off of five birdies in a row, so it was kind of like he was gone. He was 10 shots ahead and I just really just tried to put my nose to the grind stone and play a solid back nine for placement. I didn't think I could catch, but I almost, as it turned out I was pretty close to catching him.

**Q. Certainly you said you had a couple of good shots early?**

DANA QUIGLEY: And it went in the water.

**Q. And you had a poor result. But other than that you felt pretty good the way you finished?**

DANA QUIGLEY: I'm very, very happy to get in here 2-under in these conditions on this hard golf course. At almost 60 years old I'm very happy with it, believe me. It's just another great thrill for me.

TOM WATSON

TOM WATSON: 4 I didn't hit it far enough. So I had a double bogey there. I had it right on the line there.

See, this golf course has got a lot of water. And if you mishit it a little bit, you're always going to be in the water. And it's just a very difficult golf course with this wind and the small greens and the water and you got your work cut out for you. That's the reason you didn't see very many good scores today.

**Q. 4 was not a very nice hole to you this week?**

TOM WATSON: No, it wasn't. I had two double bogeys there. Three double bogeys there. And that was a -- and I hit one shot that I didn't like, but it still was 10 feet off there, off line. Today the wind died and I guess I just should have hit it a little bit harder with the 6-iron. I hit it right on the line I wanted to hit it and ended up not carrying it by about a yard.

**Q. What was the course like today as opposed to yesterday?**

TOM WATSON: It was tougher today. The pin positions were more difficult today. They were as tough as they were going to get today. And it was, you really had to play away from the pins a lot today. A lot of the holes you had to play away from the pins. You couldn't hit at the holes.

...when all is said, we're done®

So that's -- the smart players are going to play well and if you're not playing well, you're going to shoot 79 like I did.

**Q. You're not going to play again until Kansas City?**

TOM WATSON: Kansas City.

**Q. What do you do the next couple weeks?**

TOM WATSON: Keep fit and I got some different things I have to do, a variety of things I have to do. I'll be playing an exhibition with **Jack** up in Canada.

I'll be doing a variety of things, really.

**Q. Where is that in Canada?**

TOM WATSON: Prince Edward Island.

**Q. And is that, that's coming up pretty soon?**

TOM WATSON: No, that's, I got three weeks for that.

**Q. Are there certain things you work on that --**

TOM WATSON: Yeah, there were some things out here that I didn't do well today and I made a couple of good swings coming in and I got to figure out what I was doing wrong and sometimes -- playing in the wind, I get, I have a tendency to shut the club face and to hit it that way. And that gets me in trouble.

**Q. You're looking forward to that stretch?**

TOM WATSON: Yeah, it sure is. That's the stretch I've been on a looking forward to all year. I'll bounce back from this. It's not a pleasant thing to shoot 79, but I deserved every stroke of it.

**Q. Could I get your thoughts on this course as a Major championship caliber course?**

TOM WATSON: It's a super difficult golf course. It has water 12 shots of water and very close shots at water. Pete Dye designed a course the way they wanted him to, one of the most difficult courses in the country. And when you add 15, 20 mile an hour wind, it really tack it's to the limit.

PETER JACOBSEN

**Q. Mr. Jacobsen, can you tell us a little bit about your round today? You finished even par?**

PETER JACOBSEN: Yeah, I started off with a triple bogey and that got me right off the bat. I played bad. I played bad the weekend. That triple on one today, I was just behind the eight ball all day.

**Q. Did you feel like you rebounded after that?**

PETER JACOBSEN: Yeah, I had a triple on the first hole and I came back pretty well. I played the, I made the turn at 2-over, and then I bogeyed 11 and 12, which put me, again, I just was out it have from there.

I played okay. I just didn't make any putts all week. I just wasn't making, just didn't make a lot of putts. And the weekend I just really struggled with all aspects of my game.

**Q. Tell us about playing with Jay Haas who had a chance to win this?**

PETER JACOBSEN: He played great. He started off with a bogey on 2, and 3, and then birdied 4, 5, 6, 7 and 8. So that really jump started his round.

**Q. Did that help you kind of rebound a little bit, having somebody play that well?**

PETER JACOBSEN: It always helps when you play with somebody who starts really going low, it kind of pulls you along.
