QUICK QUOTES FROM: DOUG TEWELL KATSUYOSHI TOMORI PERRY ARTHUR

DOUG TEWELL

DOUG TEWELL: I did some good things. But the main thing was I made birdies. That just offsets those bogeys that you're going to find out there.

Q. How did the elbow hold up?

DOUG TEWELL: It held up pretty good. Honestly, it hurts the most when I'm hitting the long irons. For some reason when I get that three and 4-iron, it just, that's where I feel it and I hit these tail fades all the time. Today I hit two of them and I missed the green right and it cost me two bogeys. But I just go, you know. You got to smarten up and play farther to the left when you get a long iron in your hand. You just play that big slider. That's what you do when you get older, you start throwing junk up there, you know.

Q. None of these guys got to see Oak Tree as you guys do in the spring and fall. What do you do I this about that?

DOUG TEWELL: Well, I would rather it been a little bit tamer and where we could tuck the pins a little bit more. Certainly the wind dictated a lot of interesting shots today. And I saw **Bruce Lietzke** hitting his shot to the 8th hole when I was playing the 6th. And I thought he's got no chance.

He can't start it far enough out on the like to hit to that pin. And I thought, know, it's just a shame because it kind of takes that hole away from him.

But, you know, I got around there and I stiffed it and made birdie, unlike -- well, you know, I guess I trusted it more because I hit the shot so much more here day in and day out than say most guys who only played here five or six rounds. But I'm pleased. This is the best I've gotten out of myself in a year. So maybe we can build on this now and get the arm -- if I can play some shorter courses, maybe I can contend.

Q. Now the week's over for you and the tournament's over, what has the experience been like for you and the club, this tournament?

DOUG TEWELL: Well, I'm very proud. I'm proud to be a member of this club and represent this club on **TOUR**. But you know what I'm most proud of? Is all of the people in the Oklahoma City metroplex. Especially Edmond, my hometown and the way they volunteered, they spent tireless hours out here. I can't even begin to thank them all enough. I wish I could have them all over for dinner or something. But they did an absolutely remarkable job. All the feedback from the players has been pretty good. There's always some negative feedback. But I kiddingly said to Allen Doyle, he said why would you want to live here? I said well I looked at LaGrange first and I chose this second. So. That's where he's from.

But that's okay. We were just having fun. But, no, the people just did a magnificent job and to keep looking in at those folks in the yellow shirts out there, just dying in the heat, most of them were friends of mine and I just can't thank them enough. They did a great job. I hope they get to all go

home and soak their feet tonight and go, wow, we did a good job.

Q. Do you think that after this week Oak Tree can get back into the rotation hosting Major championships?

DOUG TEWELL: Well, I would like to think. So I think that we proved that we can pull it off. Certainly with the corporate support we had up there. You look on that hill, I think there were 19 corporate tenths. That's pretty strong.

We're just the old guys. What if they bring in all the superstars in here.

KATSUYOSHI TOMORI

KATSUYOSHI TOMORI: I changed my club on 17 after I saw what the other guys were saying.

Q. When did he first realize again that he was still in the lead or not in the lead but tied for third? When did he become aware of that again?

KATSUYOSHI TOMORI: 16. He was 1-under there.

Q. What did he say on those last two holes?

KATSUYOSHI TOMORI: Oh, he hasn't said anything yet. He says he's very pleased with today's round. Very pleased.

I was going for just making the cut and I wasn't trying to go for top-10 or anything like that.

PERRY ARTHUR

Q. Pretty good round today. You held it together with some difficult conditions out there.

PERRY ARTHUR: Well, I got off to a good start on the back nine. I birdied 15 and eagled 16. And I bogeyed 18. I made the turn at 2-under.

And I just shot 3-over on the front side and just kind of got worn out.

Q. Special recollections? I'm sure you feel that at the end of the tournament on such an upswing here, ending it that way, so what are you going to take away from this tournament as to your memories?

PERRY ARTHUR: Well, being an a club pro, coming to a tournament like this, the first priority is wanting to make the cut, which I achieved. And that's going to carry me further down the road as I go to the National Club Pro in June and other tournaments down the road.

Q. Most of these guys will continue next week on somewhere else, what's your job on Monday going to be like?

PERRY ARTHUR: I'm going back to the club to work there. I got lots of paperwork there. There will be stuff to do, yeah.
