Quotes From:

STUART APPLEBY

STUART APPLEBY: Working in the right direction. But it's a very interesting animal. I played well last year. Didn't win many matches really but I loved the way I played. I'll be taking that attitude into this year if I get a chance.

Q. Have you played the course before?

STUART APPLEBY: No. I don't believe so.

Q. Happy with your game finish?

STUART APPLEBY: Yeah, happy with the way I played this week. Yeah, I have to say pretty good. The conditions were certainly a few shots out there that were tough just under the duress of the heat and so on.

But, I mean, everyone was going through that and all players are good at playing the violin, but I was very happy with the way I played. Some good things there.

I would like to have cracked into the Top-10, but generally pretty happy.

Q. How big a statement do you think this makes to Gary Player if you don't crack --

STUART APPLEBY: It's not a statement. He's not in an easy position. No captain ever is. It's not as obvious as picking 11 and 12. It's not as obvious as well hanging out with a guy on the

move. 15th of 20th, pick him up. It's a bit of the roll of the dice but I'm not concerned. I would be disappointed if I wasn't on the team but certainly I understand if I'm not on the team. Because I just want to play. And I want to play Presidents Cup.
